Keywords/Descriptors (words or phrases that describe the subject of your work, separated by a comma):

IT Risk Management, IT Governance

PART II COPYRIGHT AND PERMISSIONS:

By archiving your work with the LIU Libraries repository your copyright protects against unauthorized use of the content. Although you have certain rights and privileges with your copyright there are also responsibilities:

By submitting this form I affirm the following provisions:

- I am the author of this work and it represents my own original work. As the author I hold the copyright to this work, regardless of whether or not I have registered my copyright in anyway.
- Because I hold the copyright I have the exclusive rights to reproduce, distribute, perform, display, and prepare derivatives of this work.
- I grant Long Island University the non-exclusive rights to preserve my work as part of the LIU's academic history and to use it for teaching purposes and/or institutional research and assessment.

I have read the above statements and agree to make my work available during the LIU Libraries repository project.

PART III NOTICE OF ORIGINAL WORK AND USE OF COPYRIGHT PROTECTED MATERIALS: You must include permissions from the original content provider if your work includes:

- Images that are not original works by you, OR
- Any other third-party copyrighted material that is not your original work (e.g.; data sets, music, etc.)

If your work includes interviews you must include a statement that you have the permission from the interviewees to make their interview public. CONSULT WITH YOUR ADVISOR REGARDING PERMISSIONS, IF APPROPRIATE.

Permission forms are available on Digital Commons @LIU website: <http://digitalcommons.liu.edu/permissions.html>

By signing this form I acknowledge that I have obtained all necessary permissions and have included them in my thesis.
